## RMFI's International Conference

The highlight of our recent trip to Palenque was the trip to Pyipa. While at Pyipa we celebrated the completion of a church under construction for two years. The church is now complete with electricity and sound equipment. We enjoyed traditional and contemporary music in a primitive indigenous village.

Brother Hall and Brother Evans both shared words of encouragement and edification to Pastor Juan and his congregation and later we prayed over them all. Brother Evans told Pastor Juan he would be a spiritual GIANT among his people. We had translation from English to Spanish to Chol.

To conclude, we presented the church with a Spanish concordance. An offering was also given to the church to help roof the fellowship hall. (Conti- page 2)

## A Share in Christ's Work: Year-end Giving and Tax Benefits

### Ways to Give

As you do your tax planning, we hope you will consider making good use of the income tax charitable deduction you can get through RMFI. The fact is, your year-end gift can significantly reduce your income taxes while providing meaningful support for your community church or one of the other RMFI family ministry projects.

Regardless of your income, in most cases, you can lower the taxes you pay through charitable giving, of course, the amount of the income tax savings will depend on your tax bracket. However, we all know that giving is about much more than tax savings. Your charitable gifts make an important difference in what we are able to accomplish.

If you itemize, you

can lower your income taxes simply by writing a check to your local church and/or to RMFI by December 31st. There is no easier way to garner a year-end charitable deduction. Through such an arrangement, you may be able to increase your income and make a meaningful (and tax-deductible) contribution at the same time.

The trip to Palenque was extraordinary not only because of the spiritual blessings, but God also blessed the group by uniting a young couple in love. Brother Marshall Hall performed a marriage ceremony at the retreat center where the RMFI group stayed. It was a beautiful setting in which David & Hannah Hearne (New Life Christian Fellowship) exchanged wedding vows before the RMFI group along with Bro. & Sis Feria and Bro.

### Katrina Relief Trip

RA and Arlene recently went on a Katrina Relief Trip to New Orleans, LA with 55 students from the College of Education at James Madison University, over the Thanksgiving Break 2006. The purpose of our trip first and foremost was to support the courageous, honorable, and inspiring people, who have endured unimaginable

loss since Hurricane Katrina hit the United States Coastline in August, 2005. Work each day was determined based on needs in different areas. Work included cleaning up, gutting buildings, building, delivering food and water, etc. This JMU Katrina Relief trip is the third service learning effort on behalf of JMU students, staff, and faculty. The most important message we delivered is that there is still work to be done, and that the hope and love of the people impacted WILL carry them through to a new day when they

can "go home" again.. Trip members stayed and worked for seven days before returning home to Harrisonburg VA.
